

Certificate of Registration

PricewaterhouseCoopers LLP has assessed whether the management system at

GKD Industries Ltd.

7939-54 Street SE, Calgary, Alberta T2C 4R7

is suitably designed to provide reasonable assurance that the requirements of the standard noted below (the Requirements) have been met, as of February 23, 2010.

ISO 9001:2008 Quality Management System Standard

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to expressing an opinion as to whether the Requirements were met, based on our assessment. The ISO 9001:2008 standard can be found at www.iso.org.

Our assessment was conducted in accordance with the ISO 19011:2002 management system auditing standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met and performing such other procedures as we considered necessary in the circumstances. We planned and performed our work in order to obtain reasonable, rather than absolute, assurance with respect to the information examined. We believe our work provides a reasonable basis for our opinion.

In our opinion, the management system was suitably designed to provide reasonable assurance that the Requirements were met, in all material respects, as of February 23, 2010.

SCOPE

Products and machining services focused on well stimulation, wireline, and flow control equipment for the oil and gas industry.
